

Stoma Appliance Scheme Schedule Review Consultation Information Sheet

The Department of Health and Aged Care (department) is seeking stakeholder views on a review of the Stoma Appliance Scheme (SAS) Schedule. The aim of the SAS Schedule Review is to ensure all products supplied through the SAS are clinically effective, correctly priced, and cost-effective.

The SAS Schedule Review Consultation is now available on the department's Consultation Hub. The consultation is open to all stakeholders. The consultation provides background to the SAS and the Review, proposed changes to the SAS and SAS Schedule and the reasoning for the proposed changes.

If you would like to participate in the public consultation, please review the consultation information and complete the online survey.

You can access the consultation at this link:
